Achievements

- knowledge exchange, networking, distribution of information
- established good relations with partner organizations in Europe (in particular PCC)
- produced reports and questionnaires for conferences
- contributed to joint conferences with session chairing, giving presentations, and active participation
- CLRKEN is being accepted as a reliable partner among European partner organizations active in the field of cadastre and land administration

Things we didn't do

- projects
- project involvements
- working groups
- data inventories/collections

Core activities of CLRKEN

- two workshops per year
- maintain relations with partners (in particular PCC)
- communication with EG Head Office
